- Date: Wednesday, December 7, 2011 at the VPA office, 2 Prospect Street in Montpelier
- Time: 8:30 – 3:30 “Coffee and . . .” and Lunch included.
- Registration begins at 8:30 am. Workshop begins promptly at 9:00 am.
- Register by: November 4, 2011, to allow us time to purchase the iPads in time for the workshop.
- Audience: principals, assistant principals, superintendents, assistant superintendents, supervisors, directors, school leaders, etc.
- Class Size is limited to 20.

Presenter: Kathi Lengel is a former teacher and school principal who has, for the past fourteen years, helped teachers and school leaders integrate technology into their work. Her clients include Apple, Inc. in the U.S., Europe and Asia; MESPA in the IT program; CISCO Systems in NYC; the Killingly Public Schools in CT; and the Pennfield School in RI. An author of dozens of teacher guides and online courses for Apple, Inc., she co-authored Integrating Technology: A Practical Guide, published by Allyn & Bacon in 2006. She holds a BS in Early Childhood Education and an M.Ed. in Administration and Planning. She holds adjunct professorships at both Hunter College and Fitchburg State University. Her iPad workshops for principals associations in Massachusetts and Rhode Island have brought her rave reviews!

VPA iPad WORKSHOP FOR ADMINISTRATORS

Find out first-hand why Apple's new iPad is a must for all school administrators! Be among the first to discover how the iPad impacts the busy life of an administrator, whether it's walkthrough observations, research, reading the latest educational books or the day's news. Be among the first to discover how the iPad impacts the classroom, whether it's through anytime anywhere content development or merging 60 pounds of textbooks or an entire library into a 1.5 pound device. Learn how to take advantage of all that this incredible device has to offer from downloading and managing apps to an exploration of the latest education apps to increase productivity as well as student learning. The iPad is the most talked about device this year. Be the first to use this revolutionary device for your job and introduce your school and students to it. Best of all, leave the workshop with a brand new 16GB 3G iPad2 for your use and take back to your school a device loaded with many appropriate apps. This workshop will provide training on the most valuable functions of the iPad and some of the most relevant apps. Among the uses of the iPad for administrators are the following:

- ➡Observations➡Evaluations ➡Data Collection ➡E-reader ➡IEP Check List ➡Research ➡Email ➡News
- ➡Apps for weather, compass, stocks, newspapers, and hundreds more
